SHALOM TO THE EAST

Sunrises and new beginnings
Pale colorings like springtime
Awaken us!
Invigorate us!
*Shalom is my prayer, Shalom is my prayer,
Shalom, Shalom
May peace be with you
May peace be to Earth
Shalom, Shalom*

SHALOM TO THE SOUTH

Healing warmth soothing body and spirit
Summer's fiery energy
strength of will to endure, withstand
the heat of day
Sing: *Shalom is my prayer...*

SHALOM TO THE WEST

Sunsets, twilight and autumn
Deep blues, purples and greens
Mystery of night
Until morning calls again
Sing: *Shalom is my prayer...*

SHALOM TO THE NORTH

Wind, snows, and winter
Mystery and power
To be silent
To listen
Waiting in darkness
With the sleeping earth
For seeds of new birth
Sing: *Shalom is my prayer...*

Amen
