

## **SISTER ANTONINA**

Text and melody: S.M. Gaudencja Friedel, SSND

*(to be sung with a speed of marching)*

1. Allow children come to Me,  
Because theirs is the Kingdom of Heaven.  
We need to be born again in spirit,  
We need to become a child in heart.

Refrain                      Blessed Sister Antonina,  
You loved the souls of children,  
You led them to heaven  
By your wisdom of heart, clarity of mind.  
Blessed Sister Antonina,  
Obtain from God mutual love.  
You conquered hatred by suffering,  
You gave your life in sacrifice  
You gave your life out of love.

2. Go and proclaim to the whole world  
the words of the Good News.  
Doing this you will be a sign of opposition  
But I am with you always.

Refrain

3. Nobody has a greater love  
than the one who gives her/his life in sacrifice.  
The Spirit will teach you what you should say  
Giving witness to your faith.
