Dear Mary Beth,

It is my understanding that you have expressed your willingness to serve as the contact sister for NGO status from the North American Major Area.

During a conference call held on April 10, 1992, the North American provincials affirmed this and asked me to convey their gratitude to you for helping us to prepare for the General Chapter in this way.

I have enclosed a copy of the materials received by each council delineating the task of the contact. You can see that you will be contacted directly. I faxed your name to Rome today so we are a little behind schedule.

Blessings on this work! Feel free to be in touch with me as Executive Secretary of NAMA if I can be of any assistance.

Lovingly,  
Barbara (signature)
